Class A District Tournament at Bedford High School

per 2/22/1986 Blade forfeits victory over Napoleon and Fostoria and 3 non-league wins

A transfer player played 5 games before he was eligible. The school knew he was only eligible for one semester and played him the first semester thinking he would have to sit out the second. Turns out, he was ineligible for the first semester and should have been able to play the second. He was allowed to play rest of the season but they had to forfeit the 5 games he played in and won.
